

Tessa Avermaete

De Wilderstraat 10, 3040 Neerijse, Belgium

Detailed curriculum

Working experience

2025 - ongoing

Founder of Run and Harvest

2014-2024

Project manager and researcher in European and national research projects

SFERE team, University of Leuven

Project management

Project manager H2020 COCOREADO project (1/2021 – 12/2023)

- Follow up on the management of the project, including reporting, MST meetings, project meetings.
- Outreach activities: lectures, panel discussions, interviews

Project manager H2020 RUSTICA project (1/2021-12/2023)

- Follow up on the management of the project, including reporting, MST meetings, project meetings.
- Outreach activities: lectures, panel discussions, interviews
- Organisation of European and international level events

Project manager H2020 Newbie project (1/2019 – 12/2021)

Project manager H2020 SUFISA project (5/2015-4/2019)

Project manager FP7 TRANSMANGO on 'Food and Nutrition Security in Europe' (2/2014-1/2018)

Project partner

Research in the H2020 Project FOX – food in a box (started in 2020)

Voedsel voor de Toekomst – coordinated by Vredeseilanden, subsidizes by Provincie Vlaams-Brabant (2014-2018)

Food4sustainability – coordinated by UCL, Belspo project (2014-2018)

Coordination of Metaforum group on food production and food security

Metaforum KU Leuven – in cooperation with prof Wannes Keulemans.

2022 - ongoing

Diverse internal projects

Shout it out – an instrument of the Global Minds program

FarmMate – a project in the framework of art4science, KU Leuven <https://farm-mate.be/>

Global Minds – Food security project, which resulted in two animation videos

https://www.youtube.com/watch?v=RA_jDMYszuk

<https://www.youtube.com/watch?v=o2atI8PSLYQ>

2006 – 2008

Project management and coordination

Katholieke Hogeschool Leuven – department of Health and Technology

Project coordinator

Coaching staff in dieticians, nursing, midwifery, IT and Chemistry to start research and int

Author and manager of national and internal projects – some examples of coordinated projects:

Voeten op Tafel (EWI – Vlaamse Overheid). Science popularisation on ecological footprint

Chemie en Cultuur (EWI – Vlaamse Overheid) – Science popularisation on fermentation

Geocaching (EWI – Vlaamse Overheid) – Science popularization based on GPS technology

eQUITY, equality in health. Leonardo Life Long Learning Project.

Mamababbel European - health education for vulnerable pregnant women. Youth in Action

SOAPP – Perception of students with respect to STD. Project for KHLeuven

2000 – 2004

Researcher

University of Ghent – Faculty of Applied Biological Sciences

Research group of prof Jacques Viaene

Research in the European FP5 project INNOVALOC

INNOVALOC (project to evaluate and model the innovative forms of small and very small enterprises in the local development and competitiveness levels of European Less Favoured Regions)

Research for BIRB - Belgisch Interventie- en Restitutiebureau

Research on the success of European promotion campaigns on milk and meat

Education

2000 – 2004

Academic Teachers Degree in Applied Biological Science

Ghent University

2000 – 2004

PhD in Applied Biological Science

Ghent University

Dynamics of Innovation in Small Food Firms. Promoter: Prof. dr. ir. Jacques Viaene

1995 – 2000

Master in Applied Biological Sciences

Leuven University

Major: Agricultural Economics; Minor: Tropical Agriculture

Thesis: Incoherence between the European Agricultural Policy and the European Development Policy.

Promotor: Prof. Dr. ir. Erik Tollens

Erasmus at Humboldt University, Berlin

1989-1995

Secundair onderwijs

Heilig-Hartinstituut, Heverlee

1983-1989

Basisonderwijs

Abdijschool Vlierbeek, Kessel-Lo

Teaching and coaching

February 2024 -

Supervising thesis Imke Van Cleemput – topic: protein shift. Professional bachelor at UCLL, education: dietician.

March – August 2022	Follow up of Marco Moretti – who is working on both COCOREADO and Newbie / Celsa
2021-ongoing	Supervising PhD committee Liselot Bourgeois (ILVO). Other members: Tine Compennolle, Steven Vanpassel, Fleur Marchand, Jef Van Meensel
June – Sep 2022	Jury memberships • Niels Vincken (KU Leuven): Houden we van het uitzicht van landbouw? Een keuze-experiment om de waarde van esthetische diensten van agrarische landschappen te bepalen. Promotor: Liesbet Vranken. • Sam Engels (Odisee Hogeschool). Een nieuwe internationale voedselstrategie en de impact op landbouw in Noord en Zuid. Promotor: Stef Aerts. • Pommeliën Coppens (KU Leuven). de landgebruiksimpact van verminderde vleesconsumptie. Promotor: Koenraad Van Meerbeek • Axelle Görtz (KU Leuven) • Ying Li – master in architect engineering
2021-2022	Co-supervision Thesis Emma Van Acker. Topic: business models for plant based proteins
2020-2021	Jury memberships • Desmond Situma (KU Leuven). Analyzing urban foodsheds to enhance food security. A Case Study of Kampala, Uganda. Thesis for the degree of Master of Science in Sustainable Development. Promotor: A. Van Rompaey.
2020-ongoing	OPO Global Challenges • Member of the organizing team, led by Gerard Govers • Module Food Security – lecture together with Barbara De Coninck • Starting up the MOOC module for Food Security
2020- 2023	Supervising PhD committee Lisa Marie Hemerijckx (KU Leuven). Spatial analysis of food systems transformations in rapidly growing African cities. Promotor: Anton Van Rompaey.

Scientific Advice – Advisory boards

2023 - 2024	Cochair of the Global Food Security Conference. Taking place in Leuven, 9-12 April 2024. https://www.globalfoodsecurityconference.com/
2022 - ongoing	Urban Lab Leuven – contact person topic Food KU Leuven
2022-ongoing	Member of the scientific advisory board for the fifth global food security conference • Organisation of the program • Setting up the call for abstracts • Chairing sessions
2020 - ongoing	VLAM – jury member for covid-reliance and UK export calls
2019 – 2021	Member of the scientific advisory board for the third global food security conference • Setting up the program • Review of abstracts • Chairing sessions
2019- ongoing	Reviews of peer reviewed journals • For - PLOS Sustainability and Transformation

2017 – ongoing **Member of the LARA board, Flemish Department of Agriculture and Fisheries**

Individual expert tasks and nominations

2021 - 2022 **Consultant for ADE SE**

2021- present **Member of the Flemish Food Top**

- Member of the Voedselcoalitie / Food Top of the Flemish Government
- Member of the writing group of the Food Top

2020 - present **Chair of the food and agriculture advisory board for city of Leuven**

- Jury for the local call on land plots in 2019 and 2022

2020 - present **Member of the Advisory Board for Groene Kring and KLJ**

2019 – present **Member of the advisory board for the Flemish Government in the context of the climate and energy plans**

2016 – 2020 **SALV Strategische Adviesraad voor Landbouw en Visserij (member)**

Representative of Prof Wannes Keulemans

2014 – present **Review expert**

Review for ERA-Net action

Review for H2020 calls, both individual reviews and consensus reports

Reviewer for FP7 several projects for various calls – both individual reviews and consensus reports

Review of a period report of a FP7 project

2017 **Board of Voedselstrategie Leuven – Leuven 2030**

2017 **Nomination for Flemish Science Battle**

2015-2016 **Expert in EIP focus group on new entrants in agriculture (DG AGRI, European Commission)**

2014-2018 **Stadslandbouwoverleg Leuven**

Member of Stadslandbouwoverleg Leuven

Author of the blog Leuven Boert

2014 – 2015 **Sherpa in the High Level Steering Board of the European Innovation Platform on sustainable agriculture**

Outreach activities

Broad public

- Video ‘What will we eat tomorrow’ (2024). <https://www.youtube.com/watch?v=o2atI8PSLYQ>
- Video ‘Landbouw in Vlaanderen. Kan het anders?’ https://www.youtube.com/watch?v=RA_jDMYszuk
- Opinië in De Tijd (2024) ‘Europese boer-tot-bordstrategie is ambitieus, maar dreigt doel voorbij te schieten’ <https://www.tijd.be/opinie/algemeen/europese-boer-tot-bordstrategie-is-ambitieuus-maar-dreigt-doel-voorbij-te-schieten/10522909.html>
- Opinië in Knack <https://www.knack.be/a/tessa-avermaete/>
- Interview voor Vlaams Parlement TV (2024) <https://www.youtube.com/watch?v=P4J-gb84>
- Interview voor VILT (2024) <https://vilt.be/nl/nieuws/hoe-voedselonafhankelijk-kunnen-we-zijn-in-belgie-of-in-europa>

- Interview De Standaard (2023) https://www.standaard.be/cnt/dmf20230310_97268061
- Podcast over voedselschaarste, voor Agribex <https://fb.watch/tzp7hKDnQB/>
- Podcast Zuivel – opname 3 augustus 2022. <https://www.youtube.com/watch?v=XP8sagSiC3U>.
- Avermaete, T. (2022). Is lokaal voedsel de enige duurzame keuze? Interview voor Sonar, Tijdschrift KU Leuven.
- Avermaete, T. (2022). Interview for Women in Ag Magazine. <https://womeninag.maglr.com/women-in-ag-2022-002/outsider-tessa-avermaete>
- Podcast Agribex on agriculture, food security and the Ukrain crisis with invited guests : Tessa Avermaete (Bio-econome KULeuven), Filip Fontaine (Algemeen Directeur VLAM) en Pieter Lambrecht (journalist De Tijd). The podcast is available on [podbean](#).
- Interview of PlattelandsTV. Afterwards, the interview is available on <https://plattelandstv.be/>
- De Afspraak. 23.02.2022. to discuss the viability of the Krokus Agreement/ Krokusakkoord of the Flemish government. Together with and chairman of the Groene Kring, the spokesperson for young farmers and horticulturists, Bram Van Hecke she looks at the future of farmers. Watch the episode using the [following link](#).
- Universiteit van Vlaanderen. Eet je voor het klimaat beter lokale groenten en fruit? YouTube <https://www.youtube.com/watch?v=ZGFJOvG43II>
- Klaar - Bio-econoom Tessa Avermaete (werkgroep Voedsel, landbouw en natuur) werpt een blik op wat nodig is om goed, gezond en duurzaam te eten, één van de thema's die deze werkgroep op dit moment bespreekt, en hoe wij daar in Vlaanderen aan kunnen bijdragen. <https://www.vrt.be/vrtnws/nl/2021/03/03/duurzame-voeding/>

Presentations

- Reflectie op de Europese Boer tot Bord Strategie. 24/10/2022 – Genk. Limburgs Landbouwcongres.
- Experiences with polarized food debates. Key note at the Seminar organized by University Antwerp. 14/09/2022 <https://forms.uantwerpen.be/en/facsw/polarization-stakeholders-food/>
- The Food Strategy of Leuven. 22/08/2022. Campus Heverlee.
- Presentation at the Vlaams Parlement – Commissie Klimaat. 1st of July 2022. <https://www.vlaamsparlement.be/nl/parlementair-werk/commissies/commissievergaderingen/1636988>
- GIZ webinar. 22/06/2022. Saving water with circular food systems & CoP water and Agriculture. Presentation RUSTICA

Contribution in panel debates and moderation

- Moderator SALV debate on local and regional food policies and the challenges of SALV. 24th of June, 2022. Abdij van Park, Leuven. Panelists: Lode Ceysens (Boerenbond), Heleen De Smet (BBL), Nadia Lapage (FEVIA), Elke Rogge (ILVO), Jannes Maes (Kabinet Vlaamse Minister Landbouw), Gert Engelen (Rikolto).
- Webinar Panel organized by ILSI on 'the impact of the Ukrain – Russia conflict on our food supply chains'. 21st of April 2022. Other panelist were Fabiola Dionisi (Nestlé Research), Prof Alan Boobis (Imperial College London), Dr Hans Verhagen (Food Safety & Nutrition Consultancy), Lynn Brown (HarvestPlus), and Dr Bert Popping (FOCOS).
- Panel debate on sustainable solutions for the future, organized by BASF. 26th of April 2022, Antwerp. [Report](#) BASF Panel on RUSTICA website.

Contribution in workshops

- Urban Lab Leuven. 7th of September 2022
- EFUA Policy talks 'Better policies for Urban Farming' (June 21st 2022 - Brussels). Organized by Nele Lauwers (Boerenbond) and Bernd Poelling (FHS).
- Participation in the JRC workshop on Farmers of the Future, organized in June 2019, Brussels. Which resulted in the publication (below). Recognition of KU Leuven contribution in the acknowledgements of the publication. Bock, A.K., Krzysztofowicz, M., Rudkin, J., Winthagen, V. Farmers of the Future. EUR 30464 EN, Publications Office of the European Union, Luxembourg, 2020, ISBN 978-92-76-26332-6, doi:10.2760/680650, JRC 122308
